Anik Lanthier, CFA
Senior Vice President, Public Markets and Absolute Return Strategies
PSP Investments

Anik Lanthier is Senior Vice President, Public Markets and Absolute Return Strategies, at the Public Sector Investment Board (PSP Investments). Ms. Lanthier has over 20 years of experience in finance and currently oversees a broad portfolio of approximately $77 billion. She manages a team of 80 people responsible for: active internal equities in Europe, Asia and emerging markets; passive internal equities in Canada; US small cap and large cap; internal absolute return strategies; external equity and hedge fund portfolios; and trading of all the organization's asset classes.

Prior to joining PSP Investments in May 2006 as Director, Public Markets, she spent seven years at the Hydro-Québec Pension Fund where she held several portfolio management positions of increasing responsibility. She began her career as a financial analyst at the Bank of Canada in 1997.

Ms. Lanthier is a founding member of PSP Investments' Diversity Committee and sits on the Employee Pension Committee. She is also a member of the Investment Committee of the McGill University Endowment Fund, and sits on the PIMCO Advisory Board and the Finance Montréal Board.

Ms. Lanthier holds a Bachelor's degree in Business Administration and a Master's degree in Finance from Université Laval. She has been a CFA charterholder since 2000.
