Chief Currency Strategist

Head of the BNY Mellon Strategy team

BNY Mellon

Simon Derrick is head of BNY Mellon's Markets Strategy team. His insights and commentaries have made him an indispensable source for financial journalists around the world, and his frequent on-air appearances have made him a fixture on electronic news outlets. In addition to speaking at CFA events in Vancouver, Vancouver Island, Seattle, Detroit, Cleveland, Pittsburgh, Denver and San Francisco, Simon's recent media trip also took him to four major financial cities in Asia. Extensive media interaction took place at each stop on the tour, with Simon managing to fit two live TV interviews, three print media roundtables, and meetings with 24 regional reporters into his busy schedule.
