

Martin Roberge, CFA

Managing Director, North American Portfolio Strategy
Canaccord Genuity

Martin Roberge serves as Portfolio Strategist and Quantitative Analyst at Canaccord Genuity. He is responsible for providing tactical asset mix and sector rotation research and recommendations to the firm's retail and institutional clients. Previously, he held similar roles at Dundee Securities and National Bank Financial. Martin acquired money-management expertise as the lead portfolio manager of absolute-return funds at Natcan Investment Management and Crystalline Management. Over the years, Martin has been highly ranked as a portfolio strategist and quantitative analyst in Canada, according to the Brendan Wood International survey. He holds the CFA designation and is a member of the Montreal Society of Financial Analysts. He completed a bachelor of business administration in finance from Bishop's University and a master of science in finance from Université de Sherbrooke.
