

Normand Coulombe, CPA, CA, CFA
Founder and President
iNFiNi-t Wealth Management Advisers Inc.

Normand is the founder and president of iNFiNi-t Wealth Management Advisers Inc. He has 25 years experience in the investment field and oversees the firm and client relationships while ensuring portfolios are constructed to meet the clients' objectives.

Normand started his career in 1987 at Coopers & Lybrand as a chartered accountant. From 1991 to 1997, Normand worked for Casgrain & Cie in Montreal where he specialised in the institutional bond market. Between 1997 and 1999, he offered wealth management services through Kerr Financial as a vice-president. In 1999, he joined Conseil en placement Ernst & Young inc in order to build out the Quebec practice. In April 2005, he acquired the practice founding iNFiNi-t inc Wealth Management Advisers.

Normand is a chartered professional accountant (CPA, CA) and is a CFA® charterholder. He brings support to several charities and has sat on the executive committee of the Douglas Mental Health University Institute Foundation for over 10 years. He is a past president of CFA Montréal and a past reviewer of exams leading to the Chartered Financial Analyst designation. Normand has published numerous articles in specialized investment publications.
