**Gina Martin Adams, CFA**
**Chief U.S. Equity Strategist**
**Bloomberg Intelligence**

Gina Martin Adams, CFA, CMT, is the Chief U.S. Equity Strategist for Bloomberg Intelligence, a unique research platform that provides context on markets, industries, companies, and government policy, available on the Bloomberg Professional Service at BI <GO>.

Gina provides top-down perspective on the equity market, sectors and industries with a multi-disciplined approach that utilizes fundamental, quantitative and technical analysis. She frequently presents her views at industry conferences, professional associations and investment organizations, and has been recognized for portfolio strategy, technical strategy and economics in Institutional Investors' All-America Research survey.

Prior to joining Bloomberg, she was the head of U.S. Equity Strategy for Wells Fargo Securities, where she provided analysis and investment allocation recommendations for Wells Fargo Securities' institutional clients. Previously, she was an economist for Wachovia Bank, and an investment strategy analyst for Evergreen Asset Management.

Mrs. Adams has a bachelor's of science degree in business administration with concentrations in Finance and Marketing from the University of Florida. She holds the Chartered Financial Analyst and Chartered Market Technician designations, and is a member of the CFA Institute, the New York Society of Security Analysts, the Market Technicians Association, the American Association of Professional Technical Analysts, the Financial Women's Association, and 100 Women in Hedge Funds.
