Dynamic Global All-Terrain Fund

Dynamic U.S. Sector Focus Class

Myles Zyblock joined Dynamic in 2013 as the Chief Investment Strategist, working closely with the Dynamic Funds portfolio management team. His expertise spans across multiple asset classes and geographic regions. Myles is also the Portfolio Manager of Dynamic U.S. Sector Focus Class and Dynamic Global All-Terrain Fund, which are Dynamic's first rules-based offerings.

Myles is one the most recognized strategists in North America, widely regarded for his unique approach that blends the tools of finance and psychology in order to capture major inflection points in financial markets. He has over 20 years of experience in guiding and advising on asset allocation for a diverse set of institutional and retail advisors across North America, Europe and Asia.

Prior to joining Dynamic, Myles held a number of similar roles including Chief Investment Strategist at a large Canadian financial institution, the head of the U.S. and global equity teams at a privately-held U.S. financial institution, and led the global equity sector strategy team at a major independent investment research company.

Myles has an M.A. in Economics from Queen's University and is a CFA charterholder.
