

Emil Vassenine, CIPM
Principal and President
EVIV Group Inc.

Emil is the Principal and President of EVIV Group Inc., Canada's largest GIPS consulting and verification firm. His firm's strength lies in its unique custom approach to each client's circumstances and its commitment to resolve challenges to client success. Emil has over 13 years of industry experience. Before founding EVIV Group in 2012, he worked as a Performance and GIPS Specialist at Sionna Investment Managers. Emil has a Master's Degree in Economics & Management, has also earned a Certificate in Investment Performance Measurement (CIPM) from the CFA Institute and the Chartered Investment Manager (CIM) designation from the Canadian Securities Institute.
