

Nadim Rizk, MBA, CFA

Chef de la direction, Chef des placements
Chief Executive Officer, Chief Investment Officer
PineStone Asset Management Inc.

Nadim Rizk founded PineStone Asset Management in 2021 and serves as the firm's CEO and CIO. Previously, Mr. Rizk was the head of the Global Equity team and the Lead Portfolio Manager of the U.S., International, and Global equity strategies at Fiera Capital. Prior to joining Fiera Capital, Mr. Rizk was a partner and lead portfolio manager for Global and US Equity Strategies at a privately held investment firm in Montreal. Mr. Rizk began his career as an equity research analyst for CN Investments.

Nadim and his team are the proud recipients of multiple awards, including Morningstar's 5-star, Fundata's FundGrade A+ ratings, Professional Pensions Investment Awards London, and Citywire Best Fund Manager France.

Nadim earned his Bachelor of Commerce in Finance from the American University of Beirut. He moved to Canada to pursue his Master of Business Administration at McGill University and has earned the right to use the Chartered Financial Analyst designation. Nadim serves on the board of the Cedars Cancer Foundation, The McGill University Hospital Center Investment Committee, and is an active participant as a global expert for the Honors in Investment Management program at McGill University. He lives in Montreal with his wife and their three children.
